Forecast for Saturday 13 Nov 2021

Weather: Dry with clear then sunny spells overnight and through daylight hours. Patchy cloud slow to clear lower slopes, particularly near the coast, but higher summits clear of the cloud. Cloud increases along the west coast in the evening to give some patchy light rain, but inland ranges staying dry.

Chance of cloud free mountain/hill tops above 800m: 80%.

Visibility: Very good, some patchy cloud around 500-600m, mainly near the coast in the morning, but tops above 1000m above the cloud. Deteriorating late evening along the west coast with extensive cloud lowering to 600-800m.
